    "answer": "Marzverse is a startup specializing in modern websites, AI chatbots, and AI automation solutions."
  },
  {
    "question": "What services do you offer?",
    "answer": "We offer modern website development, AI chatbots, AI automation solutions, and custom AI tools based on your business needs."
  },
  {
    "question": "Are you a startup?",
    "answer": "Yes. Marzverse is a modern startup focused on digital experiences and AI-powered solutions."
  },
  {
    "question": "What type of websites do you build?",
    "answer": "We build modern, responsive websites ranging from simple one-page websites to multi-page business websites with optional AI chatbot integration."
  },
  {
    "question": "Are your websites mobile friendly?",
    "answer": "Yes. All our websites are fully responsive and optimized for desktop, tablet, and mobile devices."
  },
  {
    "question": "Do you create custom websites?",
    "answer": "Yes. Every website is designed according to the client's needs, brand identity, and business goals."
  },
  {
    "question": "How long does it take to build a website?",
```

"answer": "Most projects are completed within 1 to 3 weeks depending on the scope, content, and requested features."

},

{

"question": "Do you provide website maintenance?",

"answer": "Yes. Maintenance and support options can be discussed based on your project needs."

},

{

"question": "Can you create AI chatbots?",

"answer": "Yes. We build custom AI chatbots that can answer customer questions, collect leads, and improve user engagement."

},

{

"question": "What can a chatbot do?",

"answer": "A chatbot can answer common questions, collect leads, provide service information, guide visitors, and assist customers 24/7."

},

{

"question": "Can the chatbot be customized?",

"answer": "Yes. The chatbot can be customized according to your business, services, tone of voice, and branding."

},

{

"question": "What is AI automation?",

"answer": "AI automation helps businesses automate repetitive tasks, improve efficiency, save time, and reduce manual work."

},

{

"question": "Can AI automation help my business?",

"answer": "Yes. AI automation can support customer service, lead collection, content generation, appointment workflows, and internal business processes."

},

{

```
"question": "Do you offer custom automation solutions?",
"answer": "Yes. We design automation solutions based on your specific business requirements."
},
{
"question": "How much does a website cost?",
"answer": "Pricing depends on the project requirements. Our services range from simple websites
to advanced websites with AI features. Contact us for a custom quote."
},
{
"question": "How much does a chatbot cost?",
"answer": "Chatbot pricing depends on the required features, level of customization, and
integration needs."
},
{
"question": "Do you offer custom quotes?",
"answer": "Yes. Every project receives a tailored quote based on its scope, features, and
requirements."
},
{
"question": "How can I contact Marzverse?",
"answer": "You can contact us through the contact form on our website."
},
{
"question": "How do I start a project?",
"answer": "Simply contact us with your project idea, and we will guide you through the next
steps."
},
{
"question": "Why should I choose Marzverse?",
"answer": "We focus on modern design, user experience, AI-powered solutions, and personalized
service for every client."
},
{
```

"question": "Do you build websites for beauty centers?",

"answer": "Yes. We create elegant, modern, and functional websites for beauty centers, salons, clinics, and aesthetic businesses."

},

{

"question": "Do you offer discounts?",

"answer": "Yes. We may offer special discounts depending on the project, while maintaining the quality of the website and service."

},

{

"question": "Do you build websites for salons?",

"answer": "Yes. We build stylish and mobile-friendly websites for salons, beauty studios, hairdressers, and aesthetic centers."

},

{

"question": "Can you add online booking to my website?",

"answer": "Yes. We can add booking forms, appointment request forms, or connect your website to an external booking system depending on your needs."

},

{

"question": "Can you connect the website to WhatsApp?",

"answer": "Yes. We can add WhatsApp buttons so visitors can contact your business directly and easily."

},

{

"question": "Can you help us get more clients?",

"answer": "A professional website can improve your online presence, make your business look more trustworthy, and help visitors contact you more easily."

},

{

"question": "Do you write the website content?",

"answer": "Yes. We can help write clear and professional website content based on your services and brand style."

},

```
{  
  "question": "Do you redesign old websites?",  
  "answer": "Yes. We can redesign outdated websites and turn them into modern, responsive, and user-friendly websites."  
},  
{  
  "question": "Do I need to provide photos?",  
  "answer": "You can provide your own photos, or we can help you choose suitable visuals that match your brand and website style."  
},  
{  
  "question": "Can you create a website without technical knowledge from my side?",  
  "answer": "Yes. You do not need technical knowledge. We guide you through the process and handle the design and development."  
},  
{  
  "question": "Can you make the website match my brand colors?",  
  "answer": "Yes. We design the website according to your brand colors, logo, style, and overall visual identity."  
},  
{  
  "question": "Can you create landing pages?",  
  "answer": "Yes. We create landing pages for campaigns, services, product launches, and lead collection."  
},  
{  
  "question": "Can you help with SEO?",  
  "answer": "Yes. We can apply basic SEO practices such as clear page structure, optimized content, proper headings, meta descriptions, and mobile-friendly design."  
},  
{  
  "question": "Will I be able to update the website later?",  
  "answer": "This depends on the platform and setup. We can discuss update options and choose a solution that fits your needs."
```

},

{

"question": "Do you work with businesses outside beauty and aesthetics?",

"answer": "Yes. We work with startups, small businesses, service providers, and brands from different industries."

},

{

"question": "How can a website help my beauty center get more clients?",

"answer": "A professional website helps visitors understand your services, trust your business, view your work, and contact you easily through forms or WhatsApp."

},

{

"question": "Why do I need a website if I already have Instagram?",

"answer": "Instagram is useful, but a website gives your business a more professional image, organizes your services clearly, and gives clients one reliable place to learn about you and contact you."

},

{

"question": "Can you connect my website to Instagram?",

"answer": "Yes. We can link your Instagram profile, display selected content, and make it easy for visitors to move between your website and social media."

},

{

"question": "Can clients book appointments through the website?",

"answer": "Yes. We can add appointment request forms, booking buttons, WhatsApp booking links, or connect your website to an external booking system."

},

{

"question": "Can the website show our beauty services clearly?",

"answer": "Yes. We can organize your services, prices, descriptions, photos, and special offers in a clear and attractive way."

},

{

"question": "Can you make my beauty center look more premium online?",

"answer": "Yes. We design websites with modern visuals, elegant layouts, responsive design, and brand-focused details to help your business look more professional and premium."

},

{

"question": "Can you create a gallery for before-and-after photos?",

"answer": "Yes. We can create a clean gallery section to showcase your work, treatments, transformations, and client results."

},

{

"question": "Can you add customer reviews to the website?",

"answer": "Yes. We can add testimonials, client reviews, ratings, and social proof to help build trust with new visitors."

},

{

"question": "Can you add WhatsApp booking buttons?",

"answer": "Yes. We can add WhatsApp buttons in important sections so potential clients can contact you quickly."

},

{

"question": "Can you create a special offer page?",

"answer": "Yes. We can create landing pages for campaigns, seasonal offers, new treatments, or beauty packages."

},

{

"question": "Can you help write service descriptions?",

"answer": "Yes. We can help write clear and attractive service descriptions that explain your treatments and encourage visitors to contact you."

},

{

"question": "Can you make my website suitable for Instagram visitors?",

"answer": "Yes. We can design the website so Instagram visitors quickly see your services, offers, photos, and contact options."

},

{

"question": "Can the website include prices?",

"answer": "Yes. We can include prices, starting prices, treatment packages, or keep pricing hidden and encourage visitors to contact you for details."

},

{

"question": "Can you create a website for a new beauty salon?",

"answer": "Yes. We can create a professional website for new beauty salons, including branding direction, service sections, contact forms, and visual style."

},

{

"question": "Can you redesign my old beauty website?",

"answer": "Yes. We can redesign outdated beauty websites and turn them into modern, mobile-friendly, and elegant websites."

},

{

"question": "Can the chatbot answer questions about my beauty services?",

"answer": "Yes. We can customize the chatbot with your services, opening hours, prices, booking process, location, and frequently asked questions."

},

{

"question": "Can the chatbot collect client information?",

"answer": "Yes. The chatbot can collect names, phone numbers, service interests, and appointment requests depending on your needs."

},

{

"question": "Can the chatbot work outside business hours?",

"answer": "Yes. The chatbot can answer common questions and collect leads 24/7, even when your team is unavailable."

},

{

"question": "Can the website help clients find our location?",

"answer": "Yes. We can add your address, Google Maps link, working hours, and contact details clearly on the website."

},

```
{  
  "question": "Can you make the website match my salon's style?",  
  "answer": "Yes. We design the website according to your salon's colors, atmosphere, target  
audience, and brand personality."  
},  
{  
  "question": "I am not sure what kind of website I need.",  
  "answer": "No problem. Contact us and tell us about your business, services, and goals. We can  
suggest the most suitable website structure for you."  
},  
{  
  "question": "I have a small beauty business. Can you still help?",  
  "answer": "Yes. We work with small businesses and can create a website that fits your current  
stage while still looking professional."  
},  
{  
  "question": "I do not have website content ready. Can you help?",  
  "answer": "Yes. We can help structure your pages and write clear content based on your services,  
brand, and target clients."  
},  
{  
  "question": "Can I start with a simple website first?",  
  "answer": "Yes. You can start with a simple website and add more features later, such as booking,  
chatbot support, or automation."  
},  
{  
  "question": "How do I know what price package is right for me?",  
  "answer": "Contact us with your business type and goals. We will suggest a suitable option based  
on your needs and budget."  
},  
{  
  "question": "Can you suggest what my website should include?",  
  "answer": "Yes. For beauty businesses, we usually recommend a homepage, services section,  
gallery, reviews, contact section, WhatsApp button, and optional booking system."
```

```
},
{
  "question": "Do you provide hosting and domain setup?",
  "answer": "Yes. We can guide you through hosting and domain setup depending on your chosen platform."
},
{
  "question": "Can you create multilingual websites?",
  "answer": "Yes. We can create websites in multiple languages depending on your target audience."
},
{
  "question": "Can you create Instagram-friendly websites?",
  "answer": "Yes. We can create websites that work well with Instagram traffic and make it easy for visitors to contact you or book a service."
}
{
  "question": "What is included in the Marzverse Premium Beauty Center Website?",
  "answer": "The premium beauty center website includes a cinematic scroll experience, luxury branding, responsive design, treatment sections, AI beauty analysis flow, before-and-after showcase, reviews, contact and booking features, multilingual support, and an AI chatbot."
}
{
  "question": "What is AI Beauty Analysis?",
  "answer": "AI Beauty Analysis is an interactive website experience where visitors can upload a photo, go through a skin, hair, or beauty consultation flow, and receive personalized treatment recommendations before being redirected to WhatsApp or booking."
}
{
  "question": "Does the AI analysis replace a real consultation?",
  "answer": "No. The AI analysis is designed to guide visitors and suggest suitable services, but final treatment decisions should always be confirmed by the beauty center or a qualified specialist."
}
{
  "question": "Can the website support multiple languages?",
```

"answer": "Yes. The website can support Turkish, English, Arabic, Russian, and Persian. This can include website content, chatbot answers, AI analysis results, and WhatsApp messages."

}

{

"question": "What does each treatment page include?",

"answer": "Each treatment can include a hero image, description, how it works, benefits, suitable candidates, expected results, session duration, estimated pricing, and gallery."

}
